THE 2ND FKIP-USM INTERNATIONAL CONFERENCE ON EDUCATION

EMANCIPATORY & INCLUSIVE EDUCATION IN THE DIGITALISED WORLD

Banda Aceh, MARCH 8-9th 2023

TEACHER TRAINING & EDUCATION FACULTY
UNIVERSITAS SERAMBI MEKKAH
INDONESIA

A welcome speech from Rector of Universitas Serambi Mekkah

Assalamu'alaikum Wr. Wb.

First of all, I would like to welcome you, both in person and virtually, to the City of Banda Aceh, Indonesia. The city of historical value and rich in cultural uniqueness. Welcome to Universitas Serambi Mekkah.

We are very proud because for the first time, this year, our University is holding an International Conference on Education through hybrid mode. And for the first time, this International Conference receiving papers to be presented and recorded in online proceedings. It is our great hope that this international-scale event will become an annual event for researchers and educators from various scientific backgrounds and institutional representatives to share knowledge in the field of education. We also hope that the International Conference of FKIP Serambi Mecca University can be a motivation for students, lecturers to publish their papers, research results and thoughts in international publications.

We are very honored by the presence of the four speakers, experts in the field of education; Dr.Jeanette Sakel from University of the West of England, The UK, Assoc.Prof.Dr Zawawi bin Ismail from Universiti Malaya, Malaysia, Prof. Dr. Hj. Aan Komariah, M.Sc. from Universitas Pendidikan Indonesian, West Java Indonesia, and from our own university, USM Aceh Indonesia, Dr. Muhammad Zulfajri, M.Sc. Our special thanks for the direct presence of one of the keynote speakers, the Associate Professor Dr. Zawawi bin Ismail, who is also the dean of the education faculty of Universiti Malaya. It is truly an honor for us. Hopefully the presentations from all the keynote speakers can increase our insights about important issues and the latest innovations in the world of education, globally.

Universitas Serambi Mekkah vision is to be Excellent, Innovative and with Integrity. We hope that the implementation of this event can reflect our efforts in realizing our mission to contribute to carrying out education, research and community-based service that prioritizes quality, innovation and honesty.

Finally, I personally hope that this international conference will benefit us all. Once again, welcome to the 2nd International Conference on Education of FKIP Universitas Serambi Mekkah 2023.

Thank you

Banda Aceh, 8 Maret 2023
Rector of Universitas Serambi Mekkah

Dr. Teuku Abdurrahman, SH., Sp. N

A welcome speech from Dean of Teacher Training and Education Faculty of Universitas Serambi Mekkah

Assalamualaikum Wr. Wb.

Ladies and Gentlemen, First of all, allow me to welcome all of you by thanking the Almighty God for all His blessings, grace, and mercies that have made us possible to attend this event in excellent health.

Dear keynote speakers, distinguished guests, presenters and participants of the Second International Conference on Education of FKIP USM, todays' conference theme is "Emancipatory and Inclusive Education in the Digitalised World", and we are very pleased to host this conference. Welcome to Universitas Serambi Mekkah. Welcome to Aceh.

I would like to express my deepest appreciation to our keynote speakers from 3 different countries (Dr. Jeanette Sakel from the UK; Assoc. Prof. Dr. Zawawi Bin Ismail from Malaysia, Prof. Dr. Hj. Aan Komariah, M.Pd and Dr. Muhammad Fajri S.Pd., M.Sc., from Indonesia). We are very honoured to have people with expertise like yours at our conference.

We would also like to thank the Rector of USM (Dr. Teuku Abdurahman, S.H., SpN), Vice Rector I (Ir. Teuku Makmur, M.Si); Vice Rector II (Ilyas M. Harun, S.E., M.M), the Head of LPM (Dr. Nasir), the Head of LPPM (Dr. Muslem Daud), and other structural leaders that I cannot mention one by one one that have supported us to date. We are also happy to have guests from UBBG today – the Rector of UBBG (Dr. Lilis Kasmini), The Head of PENDAS Department of UBBG, The Head of PMP of UBBG, the Dean of FKIP UBBG. Thanks to the presenters and participants, and last but not least, thanks to the committee who have worked so hard to make this event successful.

Ladies and gentlemen, the world of education today is facing many challenges. We must ensure that our education is emancipatory and inclusive. Together with the public and private sectors, non-governmental and intergovernmental organizations, and educators, we can improve our education quality for future generations through innovative research and knowledge sharing platform like this one.

We should be clearly aware of the importance of curriculum and pedagogical reform so that they meet the needs of the students, and the learning outcomes would be optimal. Continuous professional development is also essential in this case that will eventually contribute to excellent performance of teachers and excellent results of our students. The application of IT in teaching and learning would also make a significant different in this digital era.

Again, thanks to our distinguished keynote presenters, guests, presenters, and participants. Welcome and enjoy the conference!

Wassalamualaikum Wr. Wb.

Dr. Jalaluddin, M.Pd

The Dean of FKIP USM

A Welcome Speech from The Chair of the Committee

Assalamualaikum, Wr. Wb.

Your excellency,
Rector of Universitas Serambi Mekkah, Vice rectors of Universitas Serambi Mekkah, Deans of all faculties of Universitas Serambi Mekkah, All of heads of departments,All distinguished keynote speakers,The honourable presenters and participants, From Malaysia, The United Kingdom, Taiwan, India, Australia and Indonesia who have come in person and virtually

It gives me great pleasure to speak to you this morning and warmly welcome you to the 2nd FKIP-USM International Conference on Education 2023!
I warmly welcome you to Banda Aceh, Indonesia
I warmly welcome you to Universitas Serambi Mekkah

The purpose of the FKIP-USM International Conference on Education is to provide a platform for educational practitioners and researchers from various backgrounds and contexts to share their knowledge, experience and insights on education. On behalf of the committee, I am glad to announce that we have a total of 181 submitters. The majority are early from researchers on education who I believe are individuals who are eager to learn current issues on the field and enjoy discussion and networking.

The theme of the year is 'The Emancipatory and Inclusive Education in the Digitalised World'. We hope that from discussion around this theme, a better understanding can be raised in the future educational research and practices regarding the value of inclusivity, emancipatory and digital innovations. For this objective, we have invited distinguished speakers from three countries and four higher institutions. As keynote speakers we have Dr Jeanette Sakel, the director of student experience from the University of the West of England, the United Kingdom; Assoc. Professor Dr. Zawawi bin Ismail from the University of Malaya, Malaysia; Professor Dr. Hj. Aan Komariah, M.Pd from Universitas Pendidikan Indonesia, Indonesia; and Dr. Muhammad Zulfajri from Universitas Serambi Mekkah, Indonesia.

Ladies and gentlemen, this conference is the result of the hard work, support, and dedication of a number of parties. We wish to thank all the steering and organising committee members who together make the conference possible. We also wish to thank the Yayasan Pembangunan Serambi Mekkah for the fund support. Last but not least, we thank the keynote speakers, all the submitters and reviewers who are the pillar of this conference.

Thank you for being here with us. We highly value your presence at this conference.

Wassalamualaikum wr. Wb.

KEYNOTE SPEAKERS

Jeanette Sakel is a German/British linguist and educator. She gained her PhD at the Max Planck Germany and the University of Nijmegen, The Netherlands (2003) and has since held positions at the University of Manchester (UK) and the University of the West of England (UK).

She has written 3 books and edited a further 4, alongside approximately 30 peer-reviewed journal articles and book chapters. Jeanette was awarded a highly esteemed National Teaching Fellowship in 2015. She is leading on learning and teaching matters as Director of Student Experience, with a keen interest in engaging students in their learning, using digital tools to their full potential to ensure an inclusive education for all.

Prof. Dr. Hj. Aan Komariah, M.Pd is an education administration scholar in Indonesia. Currently, She serves as Vice Chair Professor at the Indonesian University of Education (UPI), Head of Teacher Professional Education Program, UPI. She has been a Visiting Professor at Dong Hwa University, Hanoi National University, and University of Malaya. Prof. Komariah's main research interests include educational administration, educational leadership, teaching and learning, and education management.

Prof Aan now is the Editor-in-Chief of the Educational Administration Research and Review Journal. She has authored and co-authored more than 100 articles, from which more than 53 articles are indexed in the Scopus/Wos Citation Index database. His research series on educational leadership, school management, and teaching and learning has been published in the form of reference books, monographs, and book chapters.

KEYNOTE SPEAKERS

MUHAMMAD ZULFAJRI took his Bachelor's degree at Syiah Kuala University in 2005-2009 majoring in the Chemistry Education. Then, funded by the Aceh Government Scholarship, he continued pursuing his master's degree at National Sun Yat-sen University Taiwan from 2012 to 2014, and Pei-Ying Scholarship his doctoral degree at Kaohsiung Medical University from 2017 to 2021, both majoring in Chemistry. Currently, he is a lecturer at the Chemistry Education Study Program of Serambi Mekkah University (since 2015). Apart from being a lecturer, he is also a teacher at Dayah Darul Ihsan Abu Hasan Krueng Kalee (since 2007), an assessor for BAN SM Aceh Province (since 2021), and a facilitator for Sekolah Penggerak since 2022.

His research focuses on the synthesis of nanomaterials, chemical sensors, environmental protection, and analytical environmental, and materials-based chemistry education. His various research results have been published in reputable national and international journals.

Dr. Zawawi Ismail is an Associate Professor and currently the Dean of the Faculty of Education, University of Malaya, Kuala Lumpur, Malaysia. He received his Bachelor Degree in Arabic Language & Literature (Major), Shariah (Minor) from Yarmouk University, Jordan, Post Graduate Diploma of Education from International Islamic University Malaysia, Master in Arabic Education and obtained his Ph.D. in the field of Education from the National University of Malaysia 2008.

His research interests include Arabic & Islamic Education Curriculum, Teacher Education, Muslim Minority Education, and Quranic Language Education.

He has published articles in international and national journals, books and other publications. Dr. Zawawi has contributed a lot to society and he is also active in several NGOs and one of the founders of Yayasan As-Syafie which is focusing on developing Islamic Boarding School in Cambodia and other educational activities in Indonesia and Malaysia.
